

A scroll of aged parchment with a title and congregation name. The scroll is unrolled, showing the title and congregation name in the center. The parchment has a yellowish-brown hue and a slightly textured appearance. The title is in a large, bold, black serif font, and the congregation name is in a smaller, bold, black serif font below it.

Meditation

*Birth is a beginning
And death is a destination.
And life is a journey:
From childhood to maturity
And youth to age;
From innocence to awareness
And ignorance to knowing;
From foolishness to discretion
 And then, perhaps, to wisdom;
From weakness to strength
Or strength to weakness -
 And, often, back again;
From health to sickness
 And back, we pray, to health again;
From offense to forgiveness,
From loneliness to love,
From joy to gratitude,
From pain to compassion,
And grief to understanding -
 From fear to faith;
From defeat to defeat to defeat -
Until, looking backward or ahead,
We see that victory lies
Not at some high place along the way,
But in having made the journey, stage by stage,
 A sacred pilgrimage.
Birth is a beginning
And death is a destination.
And life is a journey,
A sacred pilgrimage -
 To life everlasting.*

**CONGREGATION SCHAARAI ZEDEK

Many of the names of departed members of Congregation Schaarai Zedek families have been lovingly and reverently inscribed on our memorial tablets found in the sanctuary and on other memorials throughout the temple.
